a catalogue of human musical anatomical joints plates in non-conventional postures. You can now obtain an illustrated collection of the locality of the parts in the human body and its represented musicality.

Expand your knowledge regarding the human musical anatomy!

an **ideal** collection for the **amateur** and **professional artist** to improve and enhance your ability to draw and paint the human figure.

and if you are the kind of **person that enjoys looking at art**, these plates will captivate and fascinate you, and you will discover unknown information about your internal body.

these plates are **available individually** or as a **collection**, you can also buy them in div-A6 (165x118 mm.) size. **reproduction print** or **original** format (size varies).

how to buy them:

1 - choose the plates/plates you like and get the reference number.
2 - give the reference numbers and your personal contact details to the gallery representative, please specify if you are interested on reproduction or original plates/plates.

the special plates will be delivered within the next ten working days.

price per item:
reproduction plate: **5€**
original plate framed: **200€**

please check our **special offers** with the gallery representative when you purchase more than three items.
